Dear Mr. Walker:

We take our responsibility to provide accurate, timely information to the FEC seriously. We are confident that a new software system we are using will avoid future administrative errors. We particularly regret your late receipt of our amended reports. FEC notices have been sent to our corporate offices and this has resulted in considerable delay before being received by our office. In nearly all instances, 30 days have lapsed from the date of your letter before being received. To ensure a timely response to any future inquiry, we are submitting this amended statement of organization. Any future correspondence will be sent to our Washington DC office. Our address is:

Sincerely yours,

Mark Johnson
