RE: Amended August 2007 Monthly Report, September 2007 Report, 2007 Year-End Report & August 2008 Monthly Report

Dear Ms. Della Rocco:

This letter is in response to the Commission's request for additional information related to the disclosure of committee's reimbursements of its connected organization for incidental staff usage on Schedules D and E of the above referenced reports filed by the International Association of Fire Fighters Interested in Registration and Information PAC (IAFF FIREPAC).

The committee's counsel has discussed this matter with Debbie Chacona. It is the committee's understanding that the Commission will not take issue with the committee's previous practice of reimbursing its connected organization for incidental staff usage after the expense has been incurred. The committee maintains that the examples cited in the Commission's requests for additional information are not applicable to this particular situation. However, in the future, the committee has agreed to pay its connected committee in advance for staff usage.

In addition, in the letter referencing the 2007 Year-End report, the Commission has inquired about a possible excessive contribution made by the committee. On October, 1, 2008, the committee received a \$2500 refund from Graves for Congress. This refund will be disclosed on the committee's 2008 Pre-General Report.

If you have any additional questions, please feel free to contact the committee.

Sincerely,

Vincent J. Bollon
