Re:NextGen Climate Action Committee  
FEC ID No. C00547349

Dear Ms. Sinram:

This is in response to your letter dated April 14, 2015 concerning the Amended 12 Day Pre-General Report (10/01/2014 - 10/15/2014), received 4/10/15, of NextGen Climate Action Committee (the "Committee").

You ask about the descriptions ?Voter Outreach? and ?Environmental Services.? The Committee has amended its report to clarify these descriptions.

You ask about the different amounts for the independent expenditure paid to Brass Tactics on the 48 hour report and on Schedule E, Line 24 for the reporting period. The \$150,000 reported on the 48 hour report was the Committee?s best estimate of the cost of the independent expenditure at the time the report was due, while \$116,707.23 reflects the actual total amount paid for the independent expenditure.

In addition, you also ask about the Committee?s Schedule E Calendar Year-to-Date Per Election totals. In your voicemail message of April 22, 2015, you indicated that the Committee need not respond further to this question. Accordingly, the Committee is leaving these totals as reported.

Lastly, you ask about the description on Schedule E for ?Voter Outreach? and ?Voter Outreach - (Previously Reported).? The Committee has amended its report to clarify the descriptions.

We hope that this information adequately addresses your questions. If you need any further information, please do not hesitate to contact the Committee.

Very truly yours,

Ezra W. Reese  
Counsel  
NextGen Climate Action Committee
