The Committee has demonstrated the necessary steps to establish best efforts to obtain and disclose the full identification of all individuals who contribute in excess of \$200 in an election cycle. These efforts include a clear request with the original solicitation, followed within 30 days by a Request for Missing Information Letter, which clearly asks for the missing information, without soliciting a contribution. In addition, the letter reads: Federal law requires us to make our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals who contribute in excess of \$200 in an election cycle. We then enclose a self addressed envelope and include a telephone number to reach the committee with any questions. A second Request for Missing Information letter is sent if we do not receive the information in a timely manner. In the event that we receive additional information from contributors whose information was not originally disclosed, we will amend the appropriate report to reflect the additional disclosures properly.
