I have sent a Termination Report for Arizona Fund, C00279521. This PAC was formerly Jon Kyl for U.S Senate. On October

1, 2013 we turned the committee into a non-connected committee. This termination report covers all activity from the time that it became a non-connected committee. All other reports with activity prior to October 1 can be found under C00279521 when we were filing as a campaign committee.
