Re: HillPAC, FEC Id. No.C00363994, 12 Day Pre-General Report (10/1/08 - 10/15/08)

Dear Mr. Bennett:

This letter is in response to your request for additional information concerning HillPAC's (the "Committee's") 12 Day Pre-General Report of receipts and disbursements, covering 10/1/08 - 10/15/08.

You have requested additional information for a few contributions that are so marked on this report. The Committee has reviewed the contributions noted by you and is providing the following information. Refund checks have been issued to New York Life PAC and R Johnson. A data entry error was made for the 7/31/08 reported contribution of C Spielvogel, this contribution was made by his spouse and an Amendment is being filed.

Although the Committee is diligent with regards to our review and of tracking excessive contributions these few contributions were inadvertently overlooked. Strict procedures are used by the Committee to ensure that all contributions are handled in a manner in full compliance with this and all other applicable provisions.

You have noted the Committees contribution to Friends of Tracey Brooks as being after the election date, this contribution was in fact for debt retirement, the election will be corrected in the Amendment.

The Committee transitioned to a new software system and because of a data error on the October Monthly did not report the debt schedule correctly, an Amendment is being filed.

If you have any additional questions regarding this response, please contact us at your convenience.

Sincerely,

Allison Wright
Treasurer
