Response to RFAI dated February 4, 2015:

The FEC's letter dated February 4, 2015 notified Murray Energy Corporation PAC that "Mooney for Congress" did not have sufficient debt to retire when Murray Energy Corporation PAC made a \$5,000.00 debt retirement contribution to "Mooney for Congress" for the 2014 Primary election.

Murray Energy Corporation PAC has contacted "Mooney for Congress" asking for a refund of the contribution, and will include the refund in an upcoming semi-annual report once received.

A photocopy of the refund request letter has been sent to the FEC. Please find below the relevant text found in the letter.

To Whom it May Concern:

The Federal Election Committee Reports Analysis Division has notified Murray Energy Corporation PAC that its Primary 2014 debt retirement contribution of \$5,000.00 to Mooney for Congress made on August 18, 2014 was impermissible, due to insufficient debts to warrant such a contribution.

Murray Energy Corporation PAC respectfully requests a refund of the \$5,000.00 contribution be sent to the following address:

Murray Energy Corporation PAC
46226 National Road
St. Clairsville, Ohio 43950

Please let me know if you have any questions.
