In response to the Request for Additional Information on the March Monthly Report: The reporting issue in item 1 has been addressed in other responses filed today related to both this report and the 24/48 hour notices for the same items. Regarding item 2, the two items filed on 2/29 instead of 2/27 were because of a vendor error. The vendor disseminated earlier that directed and, being less experienced with matters subject to federal campaign finance law, did not consider the impact of that change of timing. The committee reported immediately upon discovering that vendor issue.
