Anne Marie Brady
Senior Campaign Finance Analyst

Dear Ms. Brady,

I have today filed an amendment to our 2005 April 15 Quarterly Report.

The error in the beginning cash on hand occurred because I inadvertently used the ending cash on hand from the original 2004 Year End report rather than the ending cash on hand from the amended year end report.

I have changed the beginning cash on hand to reflect the correct amount.

Marlys Matuszak
Treasurer
