RE: V-CAP

Greetings:

In calendar year 1999, according to our records, you were kind enough to contribute more than \$200 to the UAW's Voluntary Community Action Program (V-CAP).

As the law requires, V-CAP files reports with the Federal Election Commission. However, when the aggregate donations in a year exceed \$200, the federal law requires V-CAP to list your occupation, as well as your address. We have your address, but we do not have your occupation.

So that we can comply with this requirement, we ask that you write your occupation — classification or trade will do — in the space below, and mail this letter back to the UAW Accounting Department, Attn: V-CAP, in the enclosed stamped, self-addressed envelope.

Thank you very much for your generosity and help with this requirement.

Fraternally,

RE: V-CAP

Greetings:

In calendar year 1999, according to our records, you were kind enough to contribute more than \$200 to the UAW's Voluntary Community Action Program (V-CAP).

As the law requires, V-CAP files reports with the Federal Election Commission. However, when the aggregate donations in a year exceed \$200, the federal law requires V-CAP to list your occupation, as well as your address. We have your address, but we do not have your occupation.

So that we can comply with this requirement, we ask that you write your occupation — classification or trade will do -- in the space below, and mail this letter back to the UAW Accounting Department, Attn: V-CAP, in the enclosed stamped, self-addressed envelope.

Thank you very much for your generosity and help with this requirement.

Fratemally,

RE: V-CAP

Greetings:

In calendar year 1999, according to our records, you were kind enough to contribute more than \$200 to the UAW's Voluntary Community Action Program (V-CAP).

As the law requires, V-CAP files reports with the Federal Election Commission. However, when the aggregate donations in a year exceed \$200, the federal law requires V-CAP to list your occupation, as well as your address. We have your address, but we do not have your occupation.

So that we can comply with this requirement, we ask that you write your occupation — classification or trade will do — in the space below, and mail this letter back to the UAW Accounting Department, Attn: V-CAP, in the enclosed stamped, self-addressed envelope.

Thank you very much for your generosity and help with this requirement.

Fraternally,

RE: V-CAP

Greetings:

In calendar year 1999, according to our records, you were kind enough to contribute more than \$200 to the UAW's Voluntary Community Action Program (V-CAP).

As the law requires, V-CAP files reports with the Federal Election Commission. However, when the aggregate donations in a year exceed \$200, the federal law requires V-CAP to list your occupation, as well as your address. We have your address, but we do not have your occupation.

So that we can comply with this requirement, we ask that you write your occupation — classification or trade will do -- in the space below, and mail this letter back to the UAW Accounting Department, Attn: V-CAP, in the enclosed stamped, self-addressed envelope.

Thank you very much for your generosity and help with this requirement.

Fraternally,

A handwritten signature in cursive script that reads "Ruben Burks".
