REFERENCE: MID-YEAR REPORT (01/01/2019 - 06/30/2019)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Schedule B of your report discloses a total of \$1,000,000 in payments to your connected organization for "Membership political mobilization". Please be advised that 52 U.S.C. §30118 prohibits a corporation or labor organization from contributing funds for the purpose of influencing any federal election; however, a connected organization may pay for the solicitation and administrative costs of its separate segregated fund. Further, 11 CFR §114.2(f) prohibits corporations and labor organizations from facilitating the making of contributions to candidates or political committees, other than to the separate segregated funds of the corporations and labor organizations. Facilitation means using corporate or labor organization resources or facilities to engage in fundraising activities in connection with any federal election. The use of corporate or labor organization resources in connection with a fundraiser may be permissible for certain fundraising activities only if the corporation or labor organization receives advance payment for the fair market value of such services. (11 CFR §114.2(f)(2) (i)(A), (C) and (E))

Please amend your report to clarify whether the payment to your connected organization was intended to influence federal elections and provide the dates of the activity conducted by your connected organization. In addition, please clarify whether your committee made advance payment for these services to your connected organization. Although the Commission may take further legal action

concerning this matter, your prompt action will be taken into consideration.

- Your report discloses certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. For your information and consideration when preparing future filings, non-federal transfers should be properly disclosed on a separate Schedule(s) B, supporting Line(s) 29 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing. (52 U.S.C. §30104(b) and FORM 3X Instructions)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
