Re: January 2013 Request for Additional Information
Melaleuca Inc.
FEC Identification No. C90013996

Dear Mr. Matheson:

This correspondence is in response to the Federal Election Commissions recent requests for additional information pertaining the above referenced filer; specifically the request to augment previously filed FEC Form 5 to include the aggregate calendar-year-to-date total to the payee.

In response to your request all Form 5 documents for this filer have been amended to include the requested information and electronically filed with the Commission.

Please note that the expenditures which were reported in the above referenced forms were expenditures in support of a local state referendum and had nothing to do with supporting or opposing a federal candidate for any office. However, since the expenditures did depict the likeness of a federal candidate within close proximity to a federal election my client chose to report these expenditures to the Commission in addition to the local state reporting agency. Nothing in the filing of these reports or this response to the Commissions request should be considered a waiver of any of my clients rights or a consent to the jurisdiction of the Commission.

If you have any questions regarding my clients filings or this correspondence please feel free to contact me at (208) 345-9929. If there is need for further correspondence regarding the above-referenced issue please direct it to my office.

Very truly yours,

JASON S. RISCH
