RE: November 20, 2009 Monthly Report

Dear Mr. Vuong:

This month HCF has received additional information from several contributors, which was requested in order to meet best efforts compliance. The information is reported in memo entries on Schedule A.

The best efforts procedures for HCF are as follows. First, our original solicitations (whether by paper, internet, or telephone) include a clear and conspicuous request for contributor information, and they inform the contributor of the requirements of federal law for the reporting of such information.

Second, on a monthly basis a request for information is sent to all contributors for whom identification information is missing. The letter clearly asks for the missing information without soliciting a contribution, informs the contributor of the requirements of federal law, and includes a pre-addressed, stamped return envelope.

To the extent these efforts generate additional information for our reports, we file that information in Schedule A of our next regularly scheduled report, or we will file amendments to the relevant reports on or before our next regularly scheduled reporting date, depending on the circumstances and volume of the amendments.

For those contributors in this month whom have not provided the necessary information, a 'best efforts' letter has been sent.

Sincerely,
Pamela Sederholm
Treasurer
