To Whom It May Concern:

Please note that the Committee has not yet verified the permissibility of the contributions from Ezra Nakornthab disclosed on the Form 6 filed today, October 30. Mindful of our obligation to deposit any contributions within 10 days of receipt we are working quickly to verify permissibility. If this contribution is determined to be impermissible it will be returned. Either course of action will be dutifully reported on our Post-General Report.
