RE: April Quarterly Report (02/26/98-03/31/98)
July Quarterly Report (04/01/98-06/30/98)
October Quarterly Report (07/01/98-09/30/98)

Dear Mr. Yap:

Enclosed please find amended reports for the above mentioned reporting periods.

Summary pages for the April, July and October Quarterly reporting periods are included because the year-to-date totals are corrected. A contribution from the Twelfth Day Preceding the Primary Report (01/01/98-02/25/98) was later omitted causing the year-to-date totals on subsequent reports to be incorrect. The problem has been corrected.

The October Quarterly Report also includes a page from Line 11 (c) and Line 17. An in-kind contribution amount was incorrectly reported to us. The correct amount is now reported.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Dallas Ingabunson
Treasurer
