Reference: October Monthly Report (9/1-9/30/18)

Dear Mr. Krieger:

This letter is in response to your request for additional information dated December 9, 2018.

1. Your letter indicates that the Committee disbursed two earmarked contributions outside the permissible time period (no later than 10 days after receiving the earmarked contribution). Due to the Labor Day Holiday, these two earmarked contributions were forwarded 2 days later than required. The Committee has put into place procedures to prevent this from happening in the future, including a weekly transmittal of all earmarks received. Please note that the Committee correctly processed and forwarded over 115 earmarked contributions during 2018.

2. All contributions made to federal candidates accurately disclose the candidate's full name, state of election, office sought and district. However, the campaign finance software will not list the full candidate name, state, office sought and district for earmarked contributions that are transmitted to candidates for federal office. The Committee included this information in the address line of each of these disbursements. The Committee will work request that the software be updated to correctly report these transactions on future reports.

Sincerely,
Lisa Lisker
Treasurer
