This Form 99 regarding the committee's 30G (Post-General) report is filed to confirm that the Dates of Disbursement listed on Schedule E of this 30G report as originally filed on December 6, 2018 and amended on January 31, 2019 (the Dates) were accurate. Any apparent discrepancy between the Dates and Dates of Disbursement listed on the committee's corresponding 48 hour reports was due to the committee estimating payment dates when filing its 48 hour reports. In the future, the committee will list only the Date of Dissemination for each IE when filing its 24/48 hour reports and leave the Date of Disbursement blank so as to avoid causing confusion or discrepancy between its 24/48 hour reports and its periodic reports.
