Re: Year-End Report (7/1/19 - 12/31/19)

Dear Ms. Chamorro:

We are in receipt of your letter dated May 10, 2020 regarding the above referenced report for the Cincinnatus PAC (C00574228).

Regarding Item 1, the committee has done its due diligence to verify that the contributions from the unregistered political committees were received from federally permissible funds. Because the contributions received were permissible, no corrective action has been taken.
