Reference: Amended 12 Day Pre-General Report (10/01/2012 - 10/17/2012)

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

The increase in the total amount of disbursements for the 12 Day Pre-General Report is due to a miscommunication between committee personnel . The oversight was not discovered until we performed our routine reconciliation of committee receipts and disbursements with our statement of banking activity. Once we discovered this error we immediately filed our amendment with the Commission to correct the public record.

We regret that this oversight occurred and are working to improve our internal practices to ensure that nothing like this occurs again in the future.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
ACTON PAC
