RE: FEC-194865

Dear Ms. Kelly:

In response to your correspondence dated November 29, 2005 and our conversation Monday, January 9, 2006, I am submitting a written explanation for my amended October Quarterly Report, FEC-194865.

In Schedule A of the report one or more contributions appeared to exceed the limits set forth in the Act. After reviewing the data file and the report we discovered duplicate files totaling \$13,500 in contributions. These contributions were received and reported at the end of the 2nd quarter. Mistakenly, they were re-entered at the beginning of the 3rd quarter in error. As a result of these findings we have deleted the duplicate files from the database and submitted an amended report which reflects the corrections (FEC-194865).

In addition, we have reviewed our procedures for processing contributions and made some necessary adjustments to avoid this issue in the future.

If you have any additional questions concerning this explanation or the report, please feel free to contact me on 215-200-8337.

Sincerely,

Bonnie Bowser
Treasurer for Fattah for Congress
