Thomas Maxwell

Dear Mr. Gibson and Mr. Maxwell:

Please consider this letter in response to your letters dated October 24, 2001 and January 3, 2002. I have enclosed with this correspondence a copy of each and every signed authorization that you have indicated that there may be a problem with. In each case you will see that the only problem may be that the individual may not have indicated if he or she or the company is incorporated, but there are NO indications that any of these entities are incorporated. Therefore, I do not see any need in making an amended report.

As far as your deadline of January 23, 2002 goes, I take exception to this. I do not see how you folks can give yourselves an entire year to do an audit on a report, then give me 90 days to respond. Just how does this work??? And as far as an audit goes, our doors are open from 8:30 AM to 5:00 PM, Monday through Friday, you are welcomed here anytime.

I am personally responsible for the information that goes into these reports and I do as good of a job as I can. I make mistakes, but they are honest mistakes. I will apologize for the delay in getting to this, but this is just one part of an extremely busy position that I hold. Actually, I received 2 such requests from your office, on the same day. I answered the first, this one was laid aside and I have just not had the time to pull these cards, photocopy them and get them back to you folks, sorry.

If there is any further information that you folks need, I am sure that you will let me know.

Sincerely,

Lee McMillon
Bookkeeper

Dear Mr. Hudgins:

This letter is to inform you that as of January 2, 2002 the Commission has not received your response to our request for additional information, dated October 24, 2001. This notice requests information essential to full public disclosure of your federal election campaign finances. To ensure compliance with the provisions of the Federal Election Campaign Act (the Act), please respond to this request (copy enclosed).

An adequate response must be received at the Commission by January 23, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you have any questions regarding this matter, please contact Thomas Maxwell on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division), our local number is (202) 694-1130.

Reference: Amended October Quarterly Report (7/1/00-9/30/00), dated 11/20/00

Dear Mr. Hudgins:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portions attached) discloses an apparent contribution(s) from a corporation(s). 2 U.S.C. §441b(a) prohibits the receipt of contributions from corporations unless made from a separate segregated fund established by the corporation.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have received a corporate contribution(s), you must transfer-out the impermissible funds to an account not used to influence federal elections or refund the full amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all transfers-out and refunds should be made within thirty days of the treasurer's receipt of the impermissible funds. In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of receiving a refund or granting written authorization for a transfer to another account.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on

Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of a prohibited contribution, prompt action by your committee to transfer-out or refund the amount will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

T.L. OSGANIAN

California Canning Peach Association Committee on Agricultural Policy

VOLUNTARY CONTRIBUTION AGREEMENT

47122

I, Richard Osganian of my own free will and accord, desire to make regular contributions to the Committee on Agricultural Policy, which has been established and will be maintained by members of California Canning Peach Association.

I, therefore, agree to contribute hereafter 1/4 of 1% of the value of the products I market through, or with the help of the California Canning Peach Association, each year up to and including a limit of \$250.00 to said Committee, and authorize my contribution to be used and expended by the Committee in its sole judgment and discretion, for political, educational, legislative, and charitable purposes. I further authorize California Canning Peach Association, as a convenience and accommodation to me, to deduct this amount from any monies due me from the Association and, in my behalf, to pay said amount to the Committee. I understand the Committee will then establish a separate, segregated fund.

I fully understand that contributions to the fund are entirely voluntary on my part and that I may revoke this agreement by mailing a written notice to that effect to the Committee. It is, however, my intention that this agreement will be automatically renewable from year to year unless and until it is revoked by me in the manner provided herein. I also understand that my contributions are not part of the service charges or financial obligations of the Association, and that it is not necessary for me to make such contributions in order to become or remain a member of California Canning Peach Association.
