Ref: Inquiry letter (2/25/09) for 12-Day Pre-General (10/1/08 - 10/15/8), 30-Day Post-General (10/16/08 - 11/24/08),
and Year-End (11/25/08 - 12/31/08) Reports

Dear Mr. Norfleet:

This letter is to respond to your questions regarding expenditures reported in the reports referenced above. Our leadership PAC was formed around mid-year 2008. Since then, we have only had a couple of fundraising events. Our current operation consists of a rental desk occupying less than 65 square ft in an office building and a volunteer performing FEC report functions averaging 1-2 hours per week. To maximize the cost savings and minimize unnecessary expenditures for staff, our leadership PAC outsources fundraising activities to Hammond and Associates. ISSA PAC has previously reported expenses for both rent and fundraising. Our base rent is \$150 a month and includes utilities, telephone and internet service based on the rental agreement. We do pay rent in advance. The payments often are made on a quarterly basis.

Should we incur additional reportable administrative expenses in the future, we will report them as required by the FEC.

Please call me at (858) 663-6888 if you have any questions.

Sincerely yours,

Justin Lee, Treasurer
