Re: Gutierrez for Congress
C00254581
Amendment to the 48 Hour
Report filed 10-19-00 due to
An error in the inclusion and
Reporting of a Contribution from
Illinois Political Fund.

Dear Ms. Willis:

This letter shall serve to confirm our telephone conversation of today's date during which I advised the Federal Election Commission that I had inadvertently reported and disclosed a contribution to Gutierrez for Congress on October 19, 2000, in a 48 HOUR REPORT from Illinois Political Fund in the amount of \$5,000.00 that was made to Friends for Gutierrez, which is a state (Illinois) committee. The contribution was reported in error. Gutierrez for Congress did not receive the \$5,000.00 from the Illinois Political Fund.

Accordingly, this letter shall serve as an amendment to the 48 Hour Report filed on October 19, 2000. The 48 Hour Report is amended to show that the listed contribution of Illinois Political Fund for \$5,000.00 was not received by Gutierrez for Congress, and, therefore, will not appear on the Gutierrez for Congress' post general election report or in any other report of the committee.

Sincerely,

Raul Vega

Raul Vega, Treasurer: Gutierrez for Congress
