□ This letter is in response to your request for additional information, dated July 24, 2002 and received by the Keep Our Majority PAC on July 30, 2002.

Π You indicate, once again, that Schedule B, supporting Line 21(b) discloses payments to other political committees for goods and/or services provided by those committees. If you reference our responses to earlier requests regarding the same issue (please see three responses dated 2/20/02, one response dated 2/24/02, and one response dated 5/30/02), you will note we have clarified several times that no in-kind contribution has occurred. These charges were assessed at the "usual and normal charge" and the "commercially reasonable rate prevailing at the time the service was rendered" for the service and/or good. Once again, no in-kind contribution has occurred.

□ No amendment is necessary at this time.

Sincerely,

Lisa R. Lisker
Assistant Treasurer
