Reference: Year End Report (7/1/93-12/31/93)

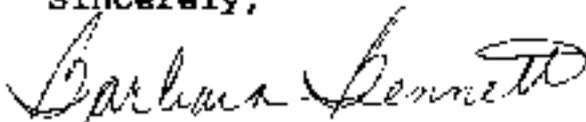

Dear Mr. Cohen:

Enclosed, please find a copy of a letter and check sent to Mr. J. H. Dickerson in response to the Commission's questions raised on the report referenced above. The report disclosed a contribution which was in excess of the \$5,000 limit per calendar year.

Although \$1,800 was received from payroll deductions made in 1993, The Committee received \$4,000 for accumulated payroll deductions made from 1988 thru 1991. This resulted in a contribution in excess of \$800.

We apologize for the oversight on our part. Should you have any questions, or require additional information, please feel free to contact me at 215-963-6354.

Sincerely,

PAC ADMINISTRATOR
