Dear Arman:

I received your Request for Additional Information, dated August 10, 2012. Tonight I amended our April Monthly Report (3/1/2012 - 3/31/2012).

This amendment includes several corrections I made after reviewing the issues you brought up in your Request.

First, our contribution to Bill Foster for Congress on 3/31/12 was intended to be for the 2012 General Election, not the 2012 Primary Election.

This is also the case with our contribution to Friends of Tammy Duckworth on 3/31/12. It too was meant for her 2012 General Election, not the 2012 Primary Election.

Finally, after reviewing the issue you brought up concerning Adler for Congress, I realized I mistakenly reported our 3/31/12 contribution to Shelley Adler for Congress as a contribution to Adler for Congress (John Adler). Both Adlers are from New Jersey District 03 so I think that may have been what caused my confusion. This amendment reflects the correct recipient.

Please let me know if you would like for me to take any further action or if you have any questions at all.

Thanks.
