In reference to FEC-1003807 Termination Report 20150101-20150415 the discrepancy of debts cleared was relative to an original mistake when committee was created and first report was generated. No debts other than candidate debts were to be noted in the loan line area. All other debts were paid correctly out of the disbursement line items. This mistake was corrected by clearing the mistaken line items put into this area as debts were noted and paid out of the disbursement area.
