Response to FEC letter dated 8-27-2015 in reference to Amended April Quarterly Report (1/1/2015- 3/31/2015), received 7/16/2015.

Line ten was adjusted on the amended report as follows, the debt owed to Ryan Zinke listed on page 318 of the original report for \$13,311.57 was paid, but not linked to the proper line and did not show paid on the original report. Three additional vendors submit invoices after the original report was filed that added \$67,941.00 to the debt on the amended report.

The figures would be new debt added \$67,941.00 minus debt included and payment made that did not show on the original report of \$13,311.57 equals a total of \$54,629.43.
