Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Line 5(b) of your Statement of Organization indicates that your committee is an authorized committee, but is not a principal campaign committee of a candidate; however based on your previous filing(s), your committee appears to be a Leadership PAC. If your committee has not been authorized by a candidate to act on their behalf as evidenced on their Statement of Candidacy, please do not check boxes 5(a) or 5(b). Be advised, if your committee is directly or indirectly established, financed, maintained or controlled by a candidate for Federal office or an individual holding Federal Office but which is not an authorized committee of the candidate or individual and which is not affiliated with an authorized committee of the candidate or individual, except that leadership PAC does not include a political committee of a political party, an amended Statement of Organization should be submitted which indicates the appropriate Type of Committee on Line 5(f). Please amend your filing or provide additional clarifying information regarding your type of committee. 11 CFR §100.5(e)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated.
