The Committee has filed an amendment to the 2012 June Monthly and the 2012 July Monthly reports in response to RFAs received from the Commission regarding employment information for donors. These amendments include employer and occupation for which the Committee was able to obtain. For the remaining donors, the Committee has mailed letters to the donors asking for the missing information and have included a self-addressed, stamped envelope in each letter. If additional information is received the Committee will file amendments accordingly.
