Dear Analyst,

This letter is in response to the Commission's RFAI dated November 13, 2008 referencing Friends of Connie Mack's October Quarterly Report (08/07/08-09/30/08).

The transfer you question is not a share of gross receipts. Instead it is the net return of Friends of Connie Mack's advance to begin the Mack-Feeney Victory Fund (this advance was reported on this October Quarterly Report on page 74). The joint fundraising committee did not have any contributions that needed to be allocated to recipients (see detailed summary of Mack-Feeney Victory Fund's Termination Report and page 9).

Accordingly there is no amendment necessary to itemize individual donations because there were none.

Thank you for your attention to the matter.

Sincerely,

Craig Engle
Treasurer, Friends of Connie Mack
