In response to the letter dated April 3, 2018 requesting additional information on the 2017 year end report, the Committee has filed an amended 2017 October Quarterly report and an amended 2017 Year End report. The Letter from the Commission noted that the totals listed on Line(s) 7(a), 7(c) , 17 and 22 of Column B of the Summary and Detailed Summary pages on the 2017 Year End Report did not equal the sum of the Column B figures from the previous report and the Column A figures from the Year End report. The Committee notes that there was \$3,811.66 in duplicate entries on the 2017 October Quarterly report that were removed changing the figures and the totals. This has been fixed in the Amended 2017 October Quarterly report. The amended Year End report has no changes except to update the beginning cash on hand and the closing cash on hand.
