Reference: 12 Day Pre-Primary Report (1/1/2020 - 2/12/2020)

Dear Ms. Vivian:

This letter is in response to your request for additional information, dated March 4, 2020.

1) Your letter indicates that the Committee may have failed to timely file a required 48-hour report regarding an independent expenditure. The Committee has reviewed the one expenditure listed in your letter and agrees that, due to a miscommunication regarding the payment for a scheduled release of its advertisement, the notice, filed on 2/18/2020, was not within the required 48-hour period. However, the expenditure was reported to the public prior to the election to which the expenditure related.

The Committee makes every effort to submit all required filings accurately and on time. The 48-hour report was filed immediately after the Committee realized the expenditure had not been previously disclosed. The Committee has reviewed its process and will implement additional procedures to ensure that all future filings are submitted in a timely manner.

2) Your letter indicates the Committee's 48-hour report filed on 2/6/2020 contains two expenditures that may not correlate with expenditures reported on Schedule E for the reporting period. However, these two expenditures were properly included on the Committee's Pre-Primary report (see p. 10, Transaction IDs SE.6017 & SE.6019). The two expenditures were reported on the 48-hour report as in support of 'DEMAIO, CARL' for the CA-52 Primary election. The election information was automatically generated from FECFile's database, but that automatically generated data reflected the wrong district. The Committee corrected this to CA-50 on its Pre-Primary report and has filed an amended 48-hour report with this response.

Sincerely,
Margaret Hoover
