Advancing Freedom Fund (Committee) has established a policy and procedure for the collection of identification information consistent federal laws, rules and regulations including 11 CFR 100.12, 104.3(a)(4)(i) and 104.7. The Committee and its fundraising vendors follow this policy. Based on this policy, the Committee's policy accurately identifies individuals who contributed in excess of \$200 in a calendar year. The Committee provides the required identification information, including the full name, complete mailing address, occupation, and name of employer on this and all its campaign disclosure reports. The Committee's policy and procedures for the collection of contributor identification information are consistent with the Committee's obligation of compliance with the 'best efforts' standard established under regulations. Details of the Committee's policy and procedures can be found in the Miscellaneous Statement to the Commission made under ID FEC-1026196 filed on 09/28/15. Despite the Committee's adherence to the best efforts standards in its practices, contributors do not always provide the requested identification information. The Committee has endeavored to identify such records in the itemization information provided in this report.
