Mr. Stoetzer -

This is in response to the FEC letter dated June 10, 2014, pertaining to certain designated contributions by AOPA PAC reported in its April monthly report.

In your letter, you identified three contributions designated by AOPA PAC for primary elections that were made after the date of the designated election. Specifically, you identified March 19, 2014 contributions to: Schock For Congress; Randy Hultgren for Congress; and Eddie Bernice Johnson for Congress. In the process of preparing its April monthly report, AOPA PAC identified the same issue with each of the three specified contributions in your letter. As a result, on April 16, 2014, AOPA PAC re-designated each of the contributions to the 2014 General election. These re-designations were then reported on the May monthly report (see pages 46-48). Please let us know if you have any further questions.
