WASHINGTON, D.C. 20463

RQ-2

January 10, 2017

TIMOTHY JOST, TREASURER  
DONALD J. TRUMP FOR PRESIDENT,  
INC.  
725 FIFTH AVENUE  
NEW YORK, NY 10022

**Response Due Date**  
**02/14/2017**

IDENTIFICATION NUMBER: C00580100

REFERENCE: 30 DAY POST-GENERAL REPORT (10/20/2016 - 11/28/2016)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following **11** item(s):

1. It appears that Schedule A-P of your report discloses the receipt of anonymous contributions that exceed \$50. Please be advised that federal regulations prohibit an individual from contributing anonymous contributions which, in the aggregate, exceed \$50. If any receipt in question was incompletely or incorrectly reported, you must amend your original report with the clarifying information. If the committee has been in receipt of an anonymous contribution greater than \$50, the excessive amount must be promptly disposed of and may be used for any lawful purpose unrelated to any Federal election, campaign or candidate. In an amendment to this report, please inform the Commission of your corrective action immediately. (11 CFR § 110.4(c)(3))

2. Schedule A-P of your report discloses one or more contributions from an organization(s) which is not a political committee registered with the Commission (see attached). **In addition, one or more of the contributions appear to exceed the limits set forth in the Act.** In order for your committee to accept contributions from unregistered organizations, your committee should take steps to ensure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 52 U.S.C. §§ 30116(f) and 30118 (formerly 2 U.S.C. §§441a(f) and 441b) or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to

DONALD J. TRUMP FOR PRESIDENT, INC.

Page 2 of 8

contribute to federal committees must either: (1) establish a separate account which contains only those funds permitted under the Act, or (2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B-P supporting Line 28(b) or (c), as applicable, of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

**3.** Schedule A-P of your report discloses one or more contributions that appear to be from a corporation(s) and/or labor organization(s) (see attached). 52 U.S.C. § 30118(a) (formerly 2 U.S.C. § 441b(a)) and 11 CFR § 103.3(b) prohibit the receipt of contributions from corporations and labor organizations unless made from separate segregated funds established by the corporations and labor organizations.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

If you have received prohibited contributions, you must make a refund within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(1) and (2))

Please inform the Commission of your corrective action immediately and

DONALD J. TRUMP FOR PRESIDENT, INC.

Page 3 of 8

provide a photocopy of any refund checks. Refunds must be reported on a Schedule B-P supporting Line 28(a) of the report covering the period in which the refund is made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

4. Schedule A-P of your report discloses one or more contributions that appear to be from limited liability corporation(s) (LLC) (see attached). 11 C.F.R. §110.1(g) allows the receipt of contributions from LLCs providing the LLC is treated as a partnership for tax purposes, and has not elected to be treated as a corporation by the Internal Revenue Service (IRS). Both LLCs that claim corporate status and those that publicly traded would be treated as corporations for FECA purposes.

Please amend your report to clarify if the LLCs in question are treated as partnerships. If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information. 52 U.S.C. 30101(11) (formerly 2 U.S.C. §441a(f)) prohibits a candidate for federal office from accepting contributions from a person in excess of \$2,700 per election. For your information, a partnership is included in the definition of "person" under 52 U.S.C. 30101(11) (formerly 2 U.S.C. §431(11)).

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

Please inform the Commission of your corrective action immediately and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B-P supporting Line 28(a) of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

5. Schedule A-P of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken

DONALD J. TRUMP FOR PRESIDENT, INC.

Page 4 of 8

for some of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,700 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (52 U.S.C. § 30116(a) and (f) (formerly 2 U.S.C. § 441a(a) and (f)); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the

DONALD J. TRUMP FOR PRESIDENT, INC.

Page 5 of 8

redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

Please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters reattributing or redesignating the contributions in question. Refunds are reported on Line 28(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B-P of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A-P of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

**6.** Schedule A-P of your report indicates that your committee may have failed to file one or more of the required 48-hour notices regarding "last minute" contributions received by your committee after the close of books for the 2016 12 Day Pre-General Report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you

DONALD J. TRUMP FOR PRESIDENT, INC.

Page 6 of 8

review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in civil money penalties or legal enforcement action. (11 CFR § 104.5(f))

If any contribution of \$1,000 or more was incorrectly reported, you must amend your original report with the clarifying information. For each contribution received by a joint fundraising representative and subsequently transferred to your committee, please ensure that your report discloses the original date of receipt of the contribution by the joint fundraising representative in a memo entry supporting the transfer. The entry for the transfer itself should show the date the contribution was transferred to your committee by the joint fundraising representative.

**7.** It appears that your committee may have filed duplicate 48-hour notices. Your committee filed two 48 hour notices for each of the attached contributions; however, these contributions are only disclosed once on Schedule A-P of your report. Please amend your report to include the additional contributions or provide an explanation of the apparent discrepancies. (11 CFR §104.3(a)(4)(i))

**8.** Your committee filed 48-hour notices reporting the following "last minute" contributions (see attached). However, these contributions do not appear on Schedule A-P of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies. (11 CFR § 104.3(a)(4)(i)) For each contribution received by a joint fundraising representative and subsequently transferred to your committee, please ensure that your report discloses the original date of receipt of the contribution by the joint fundraising representative in a memo entry supporting the transfer. The entry for the transfer itself should show the date the contribution was transferred to your committee by the joint fundraising representative.

**9.** Schedule B-P supporting Line 28(a) of your report discloses refunds to individuals. It appears that your committee has not reported the receipt of the original contributions, has received original contributions that are designated to different elections than the refunds, and/or has refunded an amount greater than the original contributions for the following contributors: Kayla Hensley and Clint Urso. Please clarify these refunds and amend your report(s) as necessary. (52 U.S.C. § 30104(b) (formerly 2 U.S.C. § 434(b)) and 11 CFR § 104.3(a))

**10.** Line 17(a)(ii) of the Detailed Summary Page discloses \$19,399,482.17 in unitemized receipts from individuals/persons other than political committees

DONALD J. TRUMP FOR PRESIDENT, INC.

Page 7 of 8

during the reporting period. When contributions from an individual reach \$200 for an election cycle, each subsequent contribution from that individual must be itemized, regardless of the amount. The itemization should include the full name, mailing address and zip code of the person, along with the name of his/her employer, the date of the contribution, his/her occupation, the election designation and the election cycle-to-date amount of contributions made by the person. Please amend your report to provide a Schedule A-P if necessary, or to clarify that for the contributions in question, the aggregate total for the election cycle for each contributor does not exceed \$200. (11 CFR § 104.3(a)(4)(i))

**11.** Schedule A-P supporting Line 18 of the Detailed Summary Page of your report discloses transfers totaling \$117,579,296.50 from the Trump Make America Great Again Committee, which is a joint fundraising committee affiliated with your committee. The sum of memo Schedule A-P is less than the total amount transferred. Please note that the sum of memo Schedule A-P supporting a transfer(s) from a joint fundraising committee should be greater than or equal to the amount of the transfer(s).

Each participating committee shall report its share for **net** proceeds received from the joint fundraising committee as a transfer-in on Schedule A-P. A memo Schedule A-P must be provided to itemize your committee's share of the **gross** contributions received through the joint fundraiser. The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the election cycle and provide the amount of unitemized contributions received. In addition, the memo schedule should itemize your committee's share of all contributions from political committees, regardless of amount. (11 CFR § 102.17(c)(8)(i)(B)) Please amend your report to include the missing Schedule A-P or provide an explanation for this apparent discrepancy.

- Your report fails to provide election designations for some contributions disclosed on Line 18 of Schedule A-P. Authorized committees should indicate the election for which the contribution was designated. If no election is designated, the contribution is applied to the next election for the federal office the candidate is seeking after the contribution date. Your committee reports a transfer from the Trump Make America Great Again Committee on 11/8/2016 with an election designation of "G2016." Some memo entries associated with this transfer fail to provide election designations. Because this transfer occurred on election day and is designated to "G2016," contribution memos making up the transfer are applied to the general election. Please amend your report to provide the missing election designations. (11 CFR §§ 110.1(b)(2) and 110.2(b)(2))

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
