PAGE 1 / 1

This is in response to your letter dated March 11, 2015 concerning 30 Day Post-General Report (10/16/14-11/24/14) of Protecting America's Retirees (the 'Committee').

You have asked about the Committee's 24 hour reports submitted on 10/21/2014. Due to a misunderstanding in the cutoff dates for the 48 hour report and the 24 hour report, we mistakenly thought we had 48 hours to file the report.

You have also asked about the dates of dissemination for several independent expenditures. These independent expenditures disseminated before the general election but were paid after the election. The Committee will amend its report to show the correct dissemination and payment dates.

Finally, you asked about a negative entry reported on Line 24. The amount spent for an independent expenditure on behalf of Gary Peters was \$18,183.55, which was \$2,774.85 less than the estimated amount of \$20,958.40 that was disclosed on the 24 hour report. Also, the amount spent for an independent expenditure to oppose Terri Lynn Land was \$7,796.44, which was \$1,143.02 less than the estimated amount of \$8,939.46 that was disclosed on the 24 hour report. The Committee will amend its report to show the actual amounts paid.

We hope that this information adequately answers your questions. If you have any additional questions, please feel free to contact the Committee.
