Reference: Amended Mid Year Report

This is in response to the letter received from the Federal Election Commission requesting the Mid-year report to be clarified and modified. When speaking to Ryan from the Federal Election Commission, we realized there was an error on the name of the PAC. The correct name is Democratic Republican Independent Voter Education, Filer Number # C00032979. Ryan verified that they were our affiliate and should post amounts received to line# 12.

If there are any other questions, please feel free to call our CPA who prepares our reports at 818-340-8555.
