Dear Mr. Maxwell:

This letter is in response to your request for additional information dated February 6, 2002 and received by the Keep Our Majority PAC on February 12, 2002.

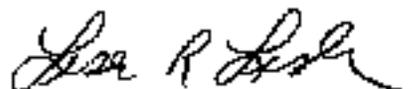

Schedule B, Line 21(b) discloses a payment to the National Republican Congressional Committee for travel. This charge was assessed by the National Republican Congressional Committee at the "usual and normal charge" for this service. The NRCC charges for travel at a "commercially reasonable rate prevailing at the time the service was rendered," and the charges are determined NRCC's long standing internal procedures. No in-kind contribution has occurred.

I have reviewed 11 CFR § 104.3(b)(3) regarding acceptable purposes of disbursements. There is no indication that "Accounting Fee/Expenses" is an unacceptable description. Furthermore, because this description is accurate, no amendment is required.

You indicate that this report discloses limited payments for administrative costs. This report details over \$21,000 for administrative costs. The Keep Our Majority PAC reports all administrative costs accurately and uses the funds expended method as is required. Furthermore, the Committee files a Schedule H1 with every FEC Form 3X.

No amendment is required as a response to the request for additional information. Should you have any further questions on this, please feel free to contact me at 703-549-7705.

Sincerely,

Lisa R. Lisker  
Assistant Treasurer
