To the commission:

Here is the Clean Up Congress 1995 mid-year report. I am submitting it early because I will be traveling for the rest of the summer. We expect no additional financial activity during the rest of June.

You will notice that this report shows a deficit of \$6,178.78. This is a "paper" deficit only. As I mentioned to you in a previous letter, there has been a divergence between the "cash on hand" that CUC reports to the FEC, which is based on the expenditure and contributions reports I receive from our four directors in the field, and the actual amount of cash we have in the bank. As of June 8, 1995, Clean Up Congress had \$1080.05 in our bank depository, Metropolitan Bank for Savings in Arlington, Va. We are owed about \$450 by a landlord and at most a few hundred more dollars by stores that bought our novelty item, "Oliver North's Pack of Lies." Only one check that I have written during the last six months, \$25 to the Walla Walla County Auditor, has not cleared.

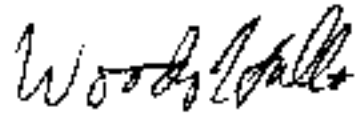

There are several reasons for the discrepancy. First, over the years many of the recipients of CUC checks chose not to cash them. (Often people who worked for CUC for only a day or so chose not to pick up their paychecks.) Second, our directors in the field may have inadvertently under-reported the amount of money that contributors gave them. (It is very unlikely that they failed to report contributions aggregating over \$200, since these are rare enough with us to stand out. But every year each of our offices receives many thousands of dollars in smaller contributions. We have a system for depositing those contributions daily and reporting the deposits to the central office, but that system may have broken down.) Third, I may have made a math error in compiling the FEC reports. I have already spent many hours going over old reports trying to find the error, and I will continue to look. Perhaps your reports analysis division will be able to find the problem.

I am certain that whatever error was made, was made in the reporting of contributions or in my math calculations. There is virtually no possibility that CUC over-reported its expenditures. I sign every CUC check, then I use the checkbook to prepare the FEC report.

25393947

I apologize for this error and would appreciate any help you can give me in correcting it. During the summer messages may be left for me at (703) 821-2745.

Sincerely,

Woody Holton
Director and Treasurer

Note on Payment to Production Solutions

The total amount paid to ~~P~~ Production Solutions at the Election Day was ~~the~~ \$6,359.52.

I reported a payment of \$468,719 on ~~report~~ CUC's ^{part election report} ~~report~~. I made that report based on the check I had written. But before printing the \$468,719 check to Production Solutions, I realized it would bounce. So instead I sent them what we could then afford — \$1,000.

During 1995 CUC has paid Production Solutions an additional \$5359.52, so that our account is now paid in full.

Since we previously ~~pre~~ reported a payment of \$468,719, we now report only the balance of \$1672.33
