

As per the letter we received from the FEC on July 26, 2006 and the voice mail exchange with FEC analyst Jennifer Jaketic, we would like to provide written response to your request for further information to confirm our multi-candidate status. The Americans for the Arts Action Fund PAC has numerous contributors, many of whom gave under \$200 and therefore they were not itemized. We officially received a contribution from our 51st PAC contributor on June 13, 2005.

If you have any further questions please contact Nina Ozlu at 202.371.2830.
