April Quarterly Report (01/01/14 - 03/31/14)

Compassion & Choices Action Network PAC C00559559

Attn:

Christopher Morse

Dear Mr. Morse:

The beginning balance in this account was from contributions deposited in 2003 (yes, 11 years ago). While we have the detail with amounts and names (attached), we no longer have any information about these contributors (no addresses, no employers and no occupations). All of this information was provided on the original reports in 2003 under our old ID number C00392126. At the time there were two contributors who gave more than \$200 and are identified by name in the attached report.

We have prepared an amended report attaching this same explanation as to the source of the funds. We hope that this will satisfy the deficiency. Please let us know if further information is needed.

Sincerely,

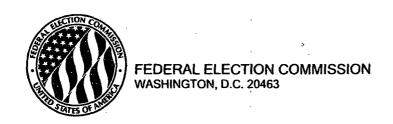

Marcia A. Campbell Treasurer, CCAN PAC

Response Due Date 08/18/2014

IDENTIFICATION NUMBER: C00559559

REFERENCE: APRIL QUARTERLY REPORT (01/01/2014 - 03/31/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. Failure to adequately respond by the response date noted above could result in an audit or enforcement action. Additional information is needed for the following 1 item(s):

- Political committees that have an initial cash balance on their first report must disclose the source of these funds. Please provide either a memo Schedule A to itemize contributions received, which in the aggregate are in excess of \$200, or amend your report to include an explanatory statement to support the amount reported. (11 CFR § 104.12)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. Requests for extensions of time in which to respond will not be considered.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1133.
