Report FEC-221288 was filed today, June 5, 2006, to amend report FEC-217797 (May report covering 4/01/06-4/30/06). This amendment was filed to reflect a redesignation of a disbursement to Hastert for Congress as a disbursement for General, and not Primary as previously reported. This was a clerical error on report FEC-217797.

A letter will be sent informing Hastert for Congress of the change. A copy will be sent to the FEC under separate cover.

Thank you.
