RE: BASF Corporation Employees Political Action Committee Amended November Monthly Report (10/1/2011 - 10/31/2011)

Dear Ms. Needles:

This Form 99 Miscellaneous Report is being filed in response to the January 26, 2012 letter from the FEC concerning BASF Corporation Employees Political Action Committee (the PACs) Amended November Monthly Report (10/1/2011 - 10/31/2011).

Specifically, the letter notes that the amended report discloses a substantial increase in the amount of itemized and unitemized receipts from individuals respectively from those disclosed on the original report.

Due to a technical issue with the transfer of the payroll data, the receipts dated October 21, 2011 were not received in a timely manner to be processed and disclosed on the original report. Please be advised that upon discovery of the issue the October 20, 2011 receipts were entered in the database used by the PAC to record the data and an amended report was filed. As a result of this, the PAC has put into place a new process to ensure that the payroll data is transferred to the third party vendor in a timely manner.

Sincerely,

Phil Kaplan  
Treasurer
