RE: Identification Number C9001-4960

Dear Mr. Furman,

On September 25, 2014 you spoke with our company with regard to your letter dated September 16, 2014, asking for clarification of the purpose of our one time billboard advertisement disclosed on our report filed on July 29, 2014. We immediately submitted our amended return along with an affidavit stating that no contributions were solicited or received for the independent expenditures. The billboard advertisement ran July 1-31, 2014 and payment was due July 31, 2014. As soon as we were made aware of the filing requirements, we immediately filed. This was a one-time important issue to us and our customers; and felt the need to bring awareness to the community regarding the impact and job losses closing Lockheed could bring.

Respectfully Submitted,

Jay A. Wallace
President
