Per your inquiry, please note that we disclosed no contributors on the Form 5 we filed for an independent expenditure in June of this year because we had no donors who gave in furtherance of that communication. We do regret that the quarterly version of that same information was filed late, due to an inadvertent miscommunication by our outside counsel. While we note that the information on that quarterly report was already a matter of public record having been timely disclosed at the time the ad was run, we have taken steps to ensure that the quarterly copies of those reports will be filed on time going forward.
