Dear Sir/Madam,
following conversations with your representative, we like to inform you that the committee filed in error in 2017 as if there were still available funds, when in effect (as in our FINAL December 2017 report) all remaining funds were expended, as in the termination report.

We could not file a January 31 2018 report since the system does not allow it. but the bank account was closed in December 2017 and no additional activity, either financial or otherwise is taking place.

Please advice if further information is needed. Sincerely Guido George Lombardi
