Dear Ms. Adams:

This letter is in response to your RQ-2s dated February 4, 2005. We are amending our 2004 reports beginning with the June 20, 2004, report to correct the items noted in your letter.

In Rick Renzi's case, our 5/17/04 contribution was reported for his primary in the purpose field, but a clerical error was made in selecting the correct election. The contribution was made toward his primary and was reported as such by the candidate. Thus, the amended June 20 report will reflect the correction.

The Bill Thomas 9/30/04 contribution for \$5,000 was sent to his Leadership PAC and thus was not a contribution to his campaign. This has been corrected in the October 20 report.

In the process of scrutinizing our records, we noted that these and other clerical errors that caused our federal and state year-to-date balances to be inaccurate, thus we have amended forward from the June 20 report to correct these balances.

Please feel free to contact us if you have any questions or need additional information. Thank you.
