

On December 4, 2006, the Brownback For President Exploratory Committee (Identification Number C00430694) filed a Statement 1 with the FEC. On December 31, 2006, the Exploratory Committee was still "testing the waters" and had not spent funds on a Presidential campaign. As a result, the Committee is not required to file a year-end financial report by January 31, 2007.

However, on January 22, 2007, Senator Sam Brownback filed a Form 2 with the FEC indicating his intention to seek the office of President of the United States. At the same time an amended Statement 1 also was filed changing the name of the Committee to Brownback For President.

It is the Committee's intent to file a first quarter 2007 financial report with the FEC.
