In response to your inquiry regarding our 2002 year end report we have made the following changes:

1. Disbursements were clarified as fundraising consulting.
2. Two contributions were updated from individual contributions to be accurately reported.
3. A 1M was filed to qualify us as a multi-candidate committee.

In addition you questioned two things we felt were in error:

1. The contribution to Mary Landrieu was accurately made for her election on December 7th, 2002.
2. The cash on hand balance does match according to our records. You reference our our 2002 year end not matching our 2001 mid-year. It does however match our 2002 mid-year report.
